What is the Warranty Region?

Coverage under this Lucid New Vehicle Limited Warranty is available only in the Middle East Region, which consists of the Kingdom of Saudi Arabia, but excludes associated islands and overseas regions, countries, municipalities, and territories.

The Lucid New Vehicle Limited Warranty is valid only for your Lucid Air if it was originally manufactured for and sold in the Middle East Region.

During the warranty period:

Requests to transfer a vehicle's Lucid Warranty will be decided on a case-by-case basis by Lucid at its absolute discretion, and will be subject to certain conditions, including all necessary regional modifications being carried out by a Lucid Service Center at the owner's cost

Transfer of the Lucid New Vehicle Limited Warranty to a new Region is not permitted for subsequent purchasers. Lucid will not transfer the warranty coverage following the sale of a vehicle within a new Region.

Who May Use This Limited Warranty?

This Lucid New Vehicle Limited Warranty is provided to the original purchaser, subsequent owner(s), and lessors of a Lucid Air sold by Lucid or its affiliates in the Warranty Region defined above.

What Does This Limited Warranty Cover?

Your Lucid New Vehicle Limited Warranty gives you specific legal rights. You may have other rights that vary from jurisdiction to jurisdiction. This New Vehicle Limited Warranty provides limited warranty coverage for your Lucid Air.

Under this Lucid New Vehicle Limited Warranty, Lucid will, without charge, and within a reasonable period of time, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a manufacturing defect in factory-supplied materials or factory workmanship provided your vehicle has been properly operated and maintained in accordance with all requirements in the owner's manual and any other documentation we may provide you, and was taken to a Lucid Service Center for a warranted repair during the warranty period. Lucid may determine at its discretion the method of fixing a malfunctioning or failing part (reparation, replacement, or adjustment with a new, reconditioned, or remanufactured part).

The remedy under this Lucid New Vehicle Limited Warranty is limited to repair, replacement, or adjustment of defective parts. Lucid's liability and obligations under this Lucid New Vehicle Limited Warranty, if any, shall in no event exceed the cost of correcting manufacturing defects as provided in this written warranty, though any statutory rights remain unaffected as explained above. Upon expiration of this Warranty, any such liability under the Warranty shall terminate.

This Lucid New Vehicle Limited Warranty agreement applies to Lucid Air vehicles manufactured and sold by Lucid or its affiliates in the country the vehicle was first purchased. The Lucid New Vehicle Limited Warranty provides the following types of coverage:

Warranty Type	Coverage Duration
Vehicle	4 Years / 80,000 km
Powertrain	8 Years / 160,000 km
High Voltage Battery	8 Years / 160,000 km retaining 70% capacity
Corrosion Perforation	10 Years / Unlimited kilometers
Body and Paint Repair	4 Years / Unlimited kilometers
Supplemental Restraint System (SRS)	5 Years / 100,000 km

Lucid warrants each new vehicle in accordance with the model version of the vehicle at the time of production.

Vehicle Limited Warranty

The New Vehicle Limited Warranty covers the repair, replacement, or adjustment of parts necessary to correct defects in the materials or workmanship of any parts manufactured or supplied by Lucid under normal use for a period of four years or 80,000 km, whichever occurs first, subject to the exclusions and limitations and the separate coverage for certain parts described in this New Vehicle Limited Warranty. In addition, any repair, replacement, or adjustment of parts or components is covered under this New Vehicle Limited Warranty if damaged or made inoperable due to a defect caused by a Lucid over-the-air update during the warranty period.

Powertrain Limited Warranty

The Powertrain is covered for the duration of 8 years or 160,000 km, whichever occurs first. The Powertrain Limited Warranty will cover the cost of repair, replacement, or adjustment of the defective parts of the Lucid powertrain subject to the limitations outlined in this New Vehicle Limited Warranty. This coverage is for Lucid's sophisticated electric powertrain, including the fully integrated electric drive units, transmission, and differential.

Battery Limited Warranty

The high voltage battery is covered for the duration of 8 years or 160,000 km, whichever occurs first, with a minimum 70% retention of battery capacity over the warranty period. The Battery Warranty covers the cost of repair, replacement, or adjustment of a defective Lucid battery at the discretion of Lucid, subject to the limitations outlined in this New Vehicle Limited Warranty.

The high voltage battery, like all batteries, will experience a decrease of energy and power loss with time and use. Loss of energy or power reduction over time is not covered beyond the terms and limits of this Warranty, as set forth in the paragraph above. Proper storage and maintenance of your Lucid vehicle will maximize the life and capacity of the battery.

Malfunctions or problems caused by failure to follow the recommended guidelines and charging procedures as stated in the Lucid Owner's Manual will not be covered under the terms of this Warranty. Please refer to the Owner's Manual for additional information.

Please note that the vehicle's displays of range are estimates based on driving conditions and habits, including other factors that are independent from the vehicle's battery capacity. The measurement method used to determine the battery capacity is at the sole discretion of Lucid's trained and authorized representatives.

When repairing, replacing, or adjusting the battery under this Warranty, Lucid will ensure that the capacity of the battery will be equal or greater than the original battery capacity during the warranty claim.

Paint and Body Limited Warranty

The Lucid Paint and Body Limited Warranty covers manufacturing defects in the paint or body of your vehicle for four years from the warranty start date (there is no mileage limitation on this coverage). Accidental damage and damage caused by paint or body repair performed by a non-Lucid Approved Body Repair Center are not covered.

Corrosion Perforation Limited Warranty

The Lucid Corrosion Perforation Limited Warranty covers perforation of body panels from within to the outside of the panel resulting from a material or manufacturing defect for 10 years (there is no mileage limitation on this coverage), except where:

- Surface corrosion occurs due to paint damaged by scratches, stone chips, or environmental fallout such as bird droppings or acid rain.
- The application of non-Lucid approved third-party coatings that have a detrimental effect on the original painted surface or under body panels.
- Corrosion is caused by, due to, or resulting from accidents, abuse, neglect, improper maintenance or operation of the vehicle, installation of a non-approved accessory, exposure to chemicals or environmental contaminants, damage resulting from an act of God or nature, fire, or improper storage.
- Damage is due to lack of required maintenance; improper maintenance; the use of other than original equipment parts, non-approved parts, or fluids; or improper body repairs.
- Repairs have not been performed by a Lucid Service Center or Lucid approved body shop.

Supplemental Restraint System (SRS) Limited Warranty

The Supplemental Restraint System Limited Warranty covers defects in the seat belts or air bags system resulting from material or manufacturing defect for 5 years or 100,000 km, whichever comes first.

Roadside Assistance is an additional service offered by Lucid for four years or 80,000 kms, whichever comes first. It is a separate service and is not provided as part of the New Vehicle Limited Warranty. Please refer to your Owner's Manual for full details of scope of this service.
